24 Carat Gold Plating Catalogs

24K Gold Plated - This *means the plating layer is 24K gold*. It usually indicates electroplating. *Vermeil* - *Means gold plated sterling silver or fine silver*. It's regular old *gold plating* – except the underlying metal is sterling silver or fine silver instead of a base metal. If you're the type of person who appreciates vintage and antique jewellery, you've probably come across jewellery that's described as "Gold", "Gold Filled", "Gold Plated" or one of a dozen other phrases with the word Gold in it. When shopping for vintage and antique jewellery, whether on eBay or in your local antique mall, it's important to know the difference between these common phrases. Not all "Gold" is created equal.
